

Diagram illustrating a population structure with five individuals (rows) and five attributes (columns). The attributes are labeled as Gen, Chromosom, and others.

Population	1	0,5	100	24	6
	0,1	0,3	200	22,2	6
	0,5	0,2	50	20	9
	2	0,5	300	28	5,25

Labels and Annotations:

- Gen**: Labeled above the first column.
- Chromosom**: Labeled to the right of the second column.
- The value **6** in the first row, fifth column is circled.
- The entire second row is enclosed in an oval.
